WORK EXPERIENCE

2024 - Present

X Log Production 'Dubai'

Social Media & Event Covered Production

Experienced Videographer and Photographer with a strong background in professional studio environments. Skilled in managing complex lighting setups and high-end camera configurations to capture stunning visuals for diverse clients. I have a proven track record of maintaining studio equipment and ensuring seamless production workflows from pre-production through to the final creative output.

2020 - 2024

El Mashed Production

Studio & Media production

Expertise in delivering high-quality visual content for specialized sectors, including real estate, medical clinics, and the hospitality industry. I focus on capturing the unique essence of each brand through precise composition and professional post-processing techniques. My work consistently helps businesses elevate their professional image and engage their target audience effectively

2018 - 2020

Micano Film

Media Production and Equipment rental

Proficient in high-energy event coverage, ranging from professional sports matches to large-scale corporate celebrations and live podcasts. I possess deep technical knowledge in multi-camera setups and live streaming protocols, ensuring stable and high-quality broadcasts. My ability to anticipate key moments allows me to deliver impactful storytelling in real-time environments

2014 - 2018

In Film

Weeding Planning

A versatile professional with the ability to thrive in full-time agency roles or as an independent freelance specialist. I am adept at collaborating with creative directors and marketing teams to translate conceptual ideas into compelling visual narratives. Committed to meeting tight deadlines while maintaining the highest standards of artistic and technical excellence
